Certificate

This is to certify that **Yash Pratap**, student of Class XII A, **K.V No. 2 AFS HINDON, Ghaziabad** has completed the project titled Applications of C++ during the academic year 2013-2014 towards partial fulfillment of credit for the Computer Science practical evaluation of AISSCE 2014, and submitted satisfactory report, as compiled in the following pages under my supervision.

Mrs Veena Dhiman
PGT Computer Science
K.V No. 2 AFS HINDON
Ghaziabad

Acknowledgements

"There are times when silence speaks so much more loudly than words of praise to only as good as belittle a person, whose words do not express, but only put a veneer over true feelings, which are of gratitude at this point of time."

I would like to express my sincere gratitude to my Computer Science mentor **Mrs Veena Dhiman**, for her vital support, guidance and encouragement - without which this project would not have come forth.

Aim

To buildup relation b/w C++
and other languages
